The meeting was called to order at 2:00 p.m. by Chairman Leo Enos.

Fuel Bid Opening

Town Manager Samson advised that he had received four bids on time. He said all bids had to be in by 12:00 pm. Mr. Samson said that he had not received anything from Rymes so he contacted them and was told that it had not been sent. Prior to the beginning of the meeting Rymes faxed a bid but it was 2 hours late and could not be accepted.

Fitch Fuel

C. Foss asked that the selectmen take into consideration that Fitch Fuel is the only local family business bidding, that they pay \$10,000 in property taxes and generously donate to the Fire and EMS departments and are available 24/7. He also cautioned them to look at the bids carefully – net gallons (other bidders) and gross gallons (Fitch).

Moved by L. Enos and seconded by D Stickney to accept the monthly bid from CN Brown for Propane at 1.269 per gallon and #2 Fuel Oil at 1.739 per gallon.

Motion carried.
